Amendment and Remarks.

**AMENDMENTS**

**In the Specification:**

Replacement for the first full paragraph, at page 7, lines 4-8:

Each of the branching nodes in the tree needs to be provided with information regarding which nodes require particular simple packages 34 and composite packages 32 constituting an overall software package 30 to be sent. An example of such a software package is shown in Figure 4A. According to this embodiment, this determination is made at the DS 10 and can be included in a transfer control file sent along with the
